

Custom Printed Mailer Box Insert Assembly Guide

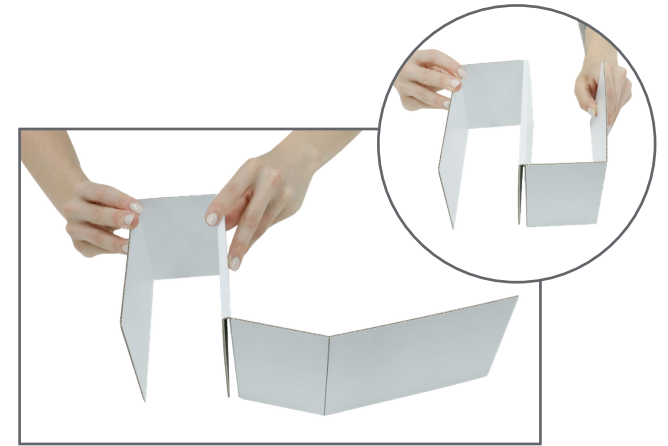

Size: 2 x 1

Step 1: Fold the insert backwards along the scored lines carefully.

Step 2: Fold the insert in half along the two centre score marks so that the score marks are not shown.

Step 3: Fold out the two end panels on the left hand side. Repeat for the right hand side.

Step 4: Place the insert into the box. Please note you may need to angle the end panels inwards to position the insert correctly and then fold them back out to ensure the insert stays in place.

Step 5: Your Mailer Box with Inserts is now ready to go!
